SUMMARY

Lifecycle marketing and CRM leader with 15+ years of experience driving pipeline growth, campaign automation, and CRM transformation across B2B tech. Deep expertise in lifecycle journeys, email strategy, and marketing ops, with hands-on execution across APAC markets using Dynamics 365, CDPs, and multi-channel platforms.

- Sourced 42% of total Australia revenue (first-touch) by building automated lifecycle programs across acquisition, re-engagement, and win-back.
- Lifted qualified lead volume by 48% in Australia and raised lead-to-MQL conversion from 64% to 91% by deploying lead scoring, routing, and enrichment in Microsoft Dynamics 365.
- Cut campaign launch time by 30% and boosted personalization by integrating CDP and CRM across paid, email, and event channels.
- Lifted newsletter open rate from 14% to 35% and CTR from 4% to 12% by introducing a re-engagement campaign paired with a 90-day sunset policy for inactive contacts.

PROFESSIONAL EXPERIENCE

CRM & Lifecycle Marketing Manager 2012 – Present

Mitrais | Remote

B2B software development firm serving 700+ clients across Australia and Southeast Asia. Headquartered in Bali with ~600 employees.

- Reported to the VP of Marketing; led lifecycle marketing and CRM strategy across Indonesia and Australia, managing a cross-functional team of 3+ remote marketing specialists.
- Built and optimized end-to-end lifecycle programs across acquisition, re-engagement, and win-back, sourcing **42% of total Australia revenue (first-touch)**.
- Spearheaded Microsoft Dynamics 365 CRM and Antsomi CDP integration for **200K+ records**, improving segmentation and time-to-launch for **new campaigns by 30%**.
- Launched automated lead scoring, enrichment, and routing workflows across marketing and SDR teams, increasing **qualified lead volume by 48%** and raising **Lead-to-MQL conversion from 64% to 91%** in Australia.
- Integrated RocketReach, Zapier, and CRM to automate lead capture and segmentation, saving the research team **8 hours/week** and increasing SDR response speed.
- Ran a re-engagement campaign paired with a 90-day sunset policy for inactive contacts, lifting newsletter **open rate from 14% to 35%** and **CTR from 4% to 12%**.
- Supported GTM alignment with BDMs and product team, integrating 4+ webinars and offline events into nurture programs, contributing to **~15% of new SQLs** per quarter.

CRM Manager 2009 - 2012

Mitrais | Remote

- Reported directly to the CEO; led CRM transformation across marketing and sales teams, focusing on pipeline visibility and adoption.
- Implemented Microsoft CRM as a single source of truth across departments, consolidating lead, contact, and deal data from multiple systems and improving **reporting coverage by 100%**.

- Developed SOPs and onboarding sessions that cut **duplicate entries by ~60%** and brought CRM **adoption to 100%** across sales and marketing within 6 months.
- Introduced structured lead workflows aligned to the Miller Heiman sales methodology, increasing sales rep follow-up consistency and shortening average **deal cycle by ~20%** within the first two quarters.
- Delivered reporting dashboards using Excel and CRM modules, increasing pipeline visibility for executive stakeholders and reducing manual report prep time by **~6 hours/month**.

Marketing Data Operations Specialist 2006 - 2009
Mitrais | Remote

- Reported to the CEO; supported lead generation and data ops for sales and marketing by managing market intelligence across mining, healthcare, and IT.
- Consolidated regional research data and contact lists into Microsoft CRM, increasing usable prospect **records by ~30%** and laying the groundwork for CRM-driven marketing.
- Partnered with sales to surface industry trends and segment targets by region and sector, contributing to a qualified lead database of **300K+ prospects**.
- Built internal SOPs and documentation for early CRM adoption and trained 10+ team members, reducing **support requests by ~50%** over 6 months.
